Addendum No. 1

NATIONAL VACATION AGREEMENTS

The following represents a synthesis in one document, for the convenience of the parties, of the current provisions of the December 17, 1941 National Vacation Agreement and amendments thereto provided in various National Agreements.

This is intended as a guide and is not to be construed as constituting a separate agreement between the parties. If any dispute arises as to the proper interpretation or application of any provision, the terms of the appropriate vacation agreement shall govern.

Articles of Agreement

1. (a) Effective with the calendar year 1973, an annual vacation of five (5) consecutive work days with pay will be granted to each employee covered by this Agreement who renders compensated service on not less than one hundred twenty (120) days during the preceding calendar year.

   (b) Effective with the calendar year 1973, an annual vacation of ten (10) consecutive work days with pay will be granted to each employee covered by this Agreement who renders compensated service on not less than one hundred ten (110) days during the preceding calendar year and who has two (2) or more years of continuous service and who, during such period of continuous service renders compensated service on not less than one hundred ten (110) days (133 days in the years 1950-1959 inclusive, 151 days in 1949 and 160 days in each of such years prior to 1949) in each of two (2) of such years, not necessarily consecutive.

   (c) Effective with the calendar year 1979, an annual vacation of fifteen (15) consecutive work days with pay will be granted to each employee covered by this Agreement who renders compensated service on not less than one hundred (100) days during the preceding calendar year and who has nine (9) or more years of continuous service and who, during such period of continuous service renders compensated service on not less than one hundred (100) days (133 days in the years 1950-1959 inclusive, 151 days in 1949 and 160 days in each of such years prior to 1949) in each of nine (9) of such years, not necessarily consecutive.

   (d) Effective with the calendar year 1979, an annual vacation of twenty (20) consecutive work days with pay will be granted to each employee covered by this Agreement who renders compensated service on not less than one hundred (100) days during the preceding calendar year and who has eighteen (18) or more years of continuous
service and who, during such period of continuous service renders compensated service on not less than one hundred (100) days (133 days in the years 1950–1959 inclusive, 151 days in 1949 and 160 days in each of such years prior to 1949) in each of eighteen (18) of such years, not necessarily consecutive.

(e) Effective with the calendar year 1973, an annual vacation of twenty-five (25) consecutive work days with pay will be granted to each employee covered by this Agreement who renders compensated service on not less than one hundred (100) days during the preceding calendar year and who has twenty-five (25) or more years of continuous service and who, during such period of continuous service renders compensated service on not less than one hundred (100) days (133 days in the years 1950–1959 inclusive, 151 days in 1949 and 160 days in each of such years prior to 1949) in each of twenty-five (25) of such years, not necessarily consecutive.

(f) Paragraphs (a), (b), (c), (d) and (e) hereof shall be construed to grant to weekly and monthly rated employees, whose rates contemplate more than five days of service each week, vacations of one, two, three, four or five work weeks.

(g) Service rendered under agreements between a carrier and one or more of the Non-Operating Organizations parties to the General Agreement of August 21, 1954, or to the General Agreement of August 19, 1960, shall be counted in computing days of compensated service and years of continuous service for vacation qualifying purposes under this Agreement.

(h) Calendar days in each current qualifying year on which an employee renders no service because of his own sickness or because of his own injury shall be included in computing days of compensated service and years of continuous service for vacation qualifying purposes on the basis of a maximum of ten (10) such days for an employee with less than three (3) years of service; a maximum of twenty (20) such days for an employee with three (3) but less than fifteen (15) years of service; and a maximum of thirty (30) such days for an employee with fifteen (15) years or more years of service with the employing carrier.

(i) In instances where employees who have become members of the Armed Forces of the United States return to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as amended, the time spent by such employees in the Armed Forces subsequent to their employment by the employing carrier will be credited as qualifying service in determining the length of vacations for which they may qualify upon their return to the service of the employing carrier.
(j) In instances where an employee who has become a member of the Armed Forces of the United States returns to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as amended, and in the calendar year preceding his return to railroad service had rendered compensated service on fewer days than are required to qualify for a vacation in the calendar year of his return to railroad service, but could qualify for a vacation in the year of his return to railroad service if he had combined for qualifying purposes days on which he was in railroad service in such preceding calendar year with days in such year on which he was in the Armed Forces, he will be granted, in the calendar year of his return to railroad service, a vacation of such length as he could so qualify for under paragraphs (a), (b), (c), (d) or (e) and (i) hereof.

(k) In instances where an employee who has become a member of the Armed Forces of the United States returns to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as amended, and in the calendar year of his return to railroad service renders compensated service on fewer days than are required to qualify for a vacation in the following calendar year, but could qualify for a vacation in such following calendar year if he had combined for qualifying purposes days on which he was in railroad service in the year of his return with days in such year on which he was in the Armed Forces, he will be granted, in such following calendar year, a vacation of such length as he could so qualify for under paragraphs (a), (b), (c), (d) or (e) and (i) hereof.

(l) An employee who is laid off and has no seniority date and no rights to accumulate seniority, who renders compensated service on not less than one hundred twenty (120) days in a calendar year and who returns to service in the following year for the same carrier will be granted the vacation in the year of his return. In the event such an employee does not return to service in the following year for the same carrier he will be compensated in lieu of the vacation he has qualified for provided he files written request therefor to his employing officer, a copy of such request to be furnished to his local or general chairman.

2. Insofar as applicable to the employees covered by this agreement who are also parties to the Vacation Agreement of December 17, 1941, as amended, Article 2 of such agreement is hereby cancelled.

3. The terms of this agreement shall not be construed to deprive any employee of such additional vacation days as he may be entitled to receive under any existing rule, understanding or custom, which additional vacation days shall be under and in accordance with the terms of such existing rule, understanding or custom.
An employee's vacation period will not be extended by reason of any of the ten recognized holidays (New Year's Day, Washington's Birthday, Good Friday, Memorial Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Eve and Christmas) or any day which by agreement has been substituted or is observed in place of any of the ten holidays enumerated above, or any holiday which by local agreement has been substituted therefor, falling within his vacation period.

4. (a) Vacations may be taken from January 1st to December 31st and due regard consistent with requirements of service shall be given to the desires and preferences of the employees in seniority order when fixing the dates for their vacations.

The local committee of each organization signatory hereto and the representatives of the Carrier will cooperate in assigning vacation dates.

(b) The Management may upon reasonable notice (of thirty (30) days or more, if possible, but in no event less than fifteen (15) days) require all or any number of employees in any plant, operation, or facility, who are entitled to vacations to take vacations at the same time.

The local committee of each organization affected signatory hereto and the proper representative of the Carrier will cooperate in the assignment of remaining forces.

5. Each employee who is entitled to vacation shall take same at the time assigned, and, while it is intended that the vacation date designated will be adhered to so far as practicable, the management shall have the right to defer same provided the employee so affected is given as much advance notice as possible; not less than ten (10) days' notice shall be given except when emergency conditions prevent. If it becomes necessary to advance the designated date, at least thirty (30) days' notice will be given affected employee.

If a carrier finds that it cannot release an employee for a vacation during the calendar year because of the requirements of the service, then such employee shall be paid in lieu of the vacation the allowance hereinafter provided.

Such employee shall be paid the time and one-half rate for work performed during his vacation period in addition to his regular vacation pay.

NOTE: This provision does not supersede provisions of the individual collective agreements that require payment of double time under specified conditions.
6. The carriers will provide vacation relief workers but the vacation system shall not be used as a device to make unnecessary jobs for other workers. Where a vacation relief worker is not needed in a given instance and if failure to provide a vacation relief worker does not burden those employees remaining on the job, or burden the employee after his return from vacation, the carrier shall not be required to provide such relief worker.

7. Allowances for each day for which an employee is entitled to a vacation with pay will be calculated on the following basis:

(a) An employee having a regular assignment will be paid while on vacation the daily compensation paid by the carrier for such assignment.

(b) An employee paid a daily rate to cover all services rendered, including overtime, shall have no deduction made from his established daily rate on account of vacation allowances made pursuant to this agreement.

(c) An employee paid a weekly or monthly rate shall have no deduction made from his compensation on account of vacation allowances made pursuant to this agreement.

(d) An employee working on a piece-work or tonnage basis will be paid on the basis of the average earnings per day for the last two semi-monthly periods preceding the vacation, during which two periods such employee worked on as many as sixteen (16) different days.

(e) An employee not covered by paragraphs (a), (b), (c), or (d) of this section will be paid on the basis of the average daily straight time compensation earned in the last pay period preceding the vacation during which he performed service.

8. The vacation provided for in this Agreement shall be considered to have been earned when the employee has qualified under Article 1 hereof. If an employee's employment status is terminated for any reason whatsoever, including but not limited to retirement, resignation, discharge, non-compliance with a union-shop agreement, or failure to return after furlough he shall at the time of such termination be granted full vacation pay earned up to the time he leaves the service including pay for vacation earned in the preceding year or years and not yet granted, and the vacation for the succeeding year if the employee has qualified therefor under Article 1. If an employee thus entitled to vacation or vacation pay shall die the vacation pay earned and not received shall be paid to such beneficiary as may have been designated, or in the absence of such designation, the surviving spouse or children or his estate, in that order of preference.
9. Vacations shall not be accumulated or carried over from one vacation year to another.

10. (a) An employee designated to fill an assignment of another employee on vacation will be paid the rate of such assignment or the rate of his own assignment, whichever is the greater; provided that if the assignment is filled by a regularly assigned vacation relief employee, such employee shall receive the rate of the relief position. If an employee receiving graded rates, based upon length of service and experience, is designated to fill an assignment of another employee in the same occupational classification receiving such graded rates who is on vacation, the rate of the relieving employee will be paid.

(b) Where work of vacationing employees is distributed among two or more employees, such employees will be paid their own respective rates. However, not more than the equivalent of twenty-five per cent of the work load of a given vacationing employee can be distributed among fellow employees without the hiring of a relief worker unless a larger distribution of the work load is agreed to by the proper local union committee or official.

(c) No employee shall be paid less than his own normal compensation for the hours of his own assignment because of vacations to other employees.

11. While the intention of this agreement is that the vacation period will be continuous, the vacation may, at the request of an employee, be given in installments if the management consents thereto.

12. (a) Except as otherwise provided in this agreement a carrier shall not be required to assume greater expense because of granting a vacation than would be incurred if an employee were not granted a vacation and was paid in lieu thereof under the provision hereof. However, if a relief worker necessarily is put to substantial extra expense over and above that which the regular employee on vacation would incur if he had remained on the job, the relief worker shall be compensated in accordance with existing regular relief rules.

(b) As employees exercising their vacation privileges will be compensated under this agreement during their absence on vacation, retaining their other rights as if they had remained at work, such absences from duty will not constitute "vacancies" in their positions under any agreement. When the position of a vacationing employee is to be filled and regular relief employee is not utilized, effort will be made to observe the principle of seniority.
(c) A person other than a regularly assigned relief employee temporarily hired solely for vacation relief purposes will not establish seniority rights unless so used more than 60 days in a calendar year. If a person so hired under the terms hereof acquires seniority rights, such rights will date from the day of original entry into service unless otherwise provided in existing agreements.

13. The parties hereto having in mind conditions which exist or may arise on individual carriers in making provisions for vacations with pay agree that the duly authorized representatives of the employees, who are parties to one agreement, and the proper officer of the carrier may make changes in the working rules or enter into additional written understandings to implement the purposes of this agreement, provided that such changes or understandings shall not be inconsistent with this agreement.

14. Any dispute or controversy arising out of the interpretation or application of any of the provisions of this agreement shall be referred for decision to a committee, the carrier members of which shall be the Carrier's Conference Committees signatory hereto, or their successors; and the employee members of which shall be the Chief Executives of the Fourteen Organizations, or their representatives, or their successors. Interpretations or applications agreed upon by the carrier members and employee members of such committee shall be final and binding upon the parties to such dispute or controversy.

This section is not intended by the parties as a waiver of any of their rights provided in the Railway Labor Act as amended, in the event committee provided in this section fails to dispose of any dispute or controversy.

15. Except as otherwise provided herein this agreement shall be effective as of January 1, 1973, and shall be incorporated in existing agreements as a supplement thereto and shall be in full force and effect for a period of one (1) year from January 1, 1973, and continue in effect thereafter, subject to not less than seven (7) months' notice in writing (which notice may be served in 1973 or in any subsequent year) by any carrier or organization party hereto, of desire to change this agreement as of the end of the year in which the notice is served. Such notice shall specify the changes desired and the recipient of such notice shall then have a period of thirty (30) days from the date of the receipt of such notice within which to serve notice specifying changes which it or they desire to make. Thereupon such proposals of the respective parties shall thereafter be negotiated and progressed concurrently to a conclusion.

Except to the extent that articles of the Vacation Agreement of December 17, 1941 are changed by this Agreement, the said agreement and the interpretations thereof and of the Supplemental Agreement of February 23, 1945, as made by the parties, dated June 10, 1942,
July 20, 1942 and July 18, 1945 and by Referee Morse in his award of November 12, 1942, shall remain in full force and effect.

In Sections 1 and 2 of this Agreement certain words and phrases which appear in the Vacation Agreement of December 17, 1941, and in the Supplemental Agreement of February 23, 1945, are used. The said interpretations which defined such words and phrases referred to above as they appear in said Agreements shall apply in construing them as they appear in Sections 1 and 2 hereof.
ADDENDUM NO. 2

CONFORMED COPY

OF

UNION SHOP AGREEMENT

This agreement made this 30th day of March, 1953, by and between The Kansas City Southern Railway Company, The Arkansas Western Railway Company, Fort Smith & Van Buren Railway Company, Joplin Union Depot Company and Louisiana & Arkansas Railway Company, each hereinafter referred to as "Carrier", to the extent with respect to the groups of employees as shown on Exhibit A, attached hereto and made a part hereof, and the employees, to the extent shown on said Exhibit A, represented by the Railway Labor Organizations signatory hereto, through the Employees' National Conference Committee, Seventeen Cooperating Railway Labor Organizations, witnesses:

IT IS AGREED:

Section 1. In accordance with and subject to the terms and conditions hereinafter set forth, all employees of these carriers now or hereafter subject to the rules and working conditions agreements between the parties hereto, except as hereinafter provided, shall, as a condition of their continued employment subject to such agreements, become members of the organization party to this agreement representing their craft or class within sixty calendar days of the date they first perform compensated service as such employees after the effective date of this agreement, and thereafter shall maintain membership in such organization; except that such membership shall not be required of any individual until he has performed compensated service on thirty days within a period of twelve consecutive calendar months. Nothing in this agreement shall alter, enlarge or otherwise change the coverage of the present or future rules and working conditions agreements.

Section 2. This agreement shall not apply to employees while occupying positions which are excepted from the bulletining and displacement rules of the individual agreements, but this provision shall not include employees who are subordinate to and report to other employees who are covered by this agreement. However, such excepted employees are free to be members of the organization at their option.

Section 3. (a) Employees who retain seniority under the Rules and Working Conditions Agreements governing their class or craft and who are regularly assigned or transferred to full time employment not
covered by such agreements, or who, for a period of thirty days or more, are (1) furloughed on account of force reduction, or (2) on leave of absence, or (3) absent on account of sickness or disability, will not be required to maintain membership as provided in Section 1 of this agreement so long as they remain in such other employment, or furloughed or absent as herein provided, but they may do so at their option. Should such employees return to any service covered by the said Rules and Working Conditions Agreements and continue therein thirty calendar days or more, irrespective of the number of days actually worked during that period, they shall, as a condition of their continued employment subject to such agreements, be required to become and remain members of the organization representing their class or craft within thirty-five calendar days from date of their return to such service.

(b) The seniority status and rights of employees furloughed to serve in the Armed Forces or granted leaves of absence to engage in studies under an educational aid program sponsored by the federal government or a state government for the benefit of ex-service men shall not be terminated by reason of any of the provisions of this agreement but such employees shall, upon resumption of employment, be considered as new employees for the purposes of applying this agreement.

(c) Employees who retain seniority under the rules and working conditions agreements governing their class or craft and who, for reasons other than those specified in subsections (a) and (b) of this section, are not in service covered by such agreements, or leave such service, will not be required to maintain membership as provided in Section 1 of this agreement so long as they are not in service covered by such agreements, but they may do so at their option. Should such employees return to any service covered by the said rules and working conditions agreements they shall, as a condition of their continued employment, be required, from the date of return to such service, to become and remain members in the organization representing their class or craft.

(d) Employees who retain seniority under the rules and working conditions agreements of their class or craft, who are members of an organization signatory hereto representing that class or craft and who, in accordance with the rules and working conditions agreement of that class or craft temporarily perform work in another class of service shall not be required to be members of another organization party hereto whose agreement covers the other class of service until the date the employees hold regularly assigned positions within the scope of the agreement covering such other class of service.

Section 4. Nothing in this agreement shall require an employee to become or to remain a member of the organization if such membership is not available to such employee upon the same terms and conditions as are generally applicable to any other member, or if the membership of
such employe is denied or terminated for any reason other than the 
failure of the employe to tender the periodic dues, initiation fees, 
and assessments (not including fines and penalties) uniformly required 
as a condition of acquiring or retaining membership. For purposes of 
this agreement, dues, fees, and assessments, shall be deemed to be 
"uniformly required" if they are required of all employes in the same 
status at the same time in the same organizational unit.

Section 5. (a) Each employe covered by the provisions of 
this agreement shall be considered by a carrier to have met the require-
ments of the agreement unless and until such carrier is advised to the 
contrary in writing by the organization. The organization will notify 
the carrier in writing by Registered or Certified Mail, Return Receipt 
Requested, or by personal delivery evidenced by receipt, of any employe 
who it is alleged has failed to comply with the terms of this agreement 
and who the organization therefore claims is not entitled to continue 
in employment subject to the Rules and Working Conditions Agreement. 
The form of notice to be used shall be agreed upon by the individual 
railroad and the organizations involved and the form shall make 
provision for specifying the reasons for the allegation of non-compliance. 
Upon receipt of such notice, the carrier will, within ten calendar days 
of such receipt, so notify the employe concerned in writing by Registered 
or Certified Mail, Return Receipt Requested, or by personal delivery 
evidenced by receipt. Copy of such notice to the employe shall be given 
the organization. An employe so notified who disputes the fact that he 
has failed to comply with the terms of this agreement, shall within a 
period of ten calendar days from the date of receipt of such notice, 
request the carrier in writing by Registered or Certified Mail, Return 
Receipt Requested, or by personal delivery evidenced by receipt, to 
accord him a hearing. Upon receipt of such request the carrier shall 
set a date for hearing which shall be held within ten calendar days of 
the date of receipt of request therefor. Notice of the date set for 
hearing shall be promptly given the employe in writing with copy to the 
organization, by Registered or Certified Mail, Return Receipt Requested, 
or by personal delivery evidenced by receipt. A representative of the 
organization shall attend and participate in the hearing. The receipt 
by the carrier of a request for a hearing shall operate to stay action 
on the termination of employment until the hearing is held and the 
decision of the carrier is rendered.

In the event the employe concerned does not request a hearing 
as provided herein, the carrier shall proceed to terminate his seniority 
and employment under the Rules and Working Conditions Agreement not 
later than thirty calendar days from receipt of the above described 
notice from the organization, unless the carrier and the organization 
agree otherwise in writing.

(b) The carrier shall determine on the basis of the evidence 
produced at the hearing whether or not the employe has complied with the 
terms of this agreement and shall render a decision within twenty
calendar days from the date that the hearing is closed, and the employee and the organization shall be promptly advised thereof in writing by Registered or Certified Mail, Return Receipt Requested.

If the decision is that the employee has not complied with the terms of this agreement, his seniority and employment under the Rules and Working Conditions Agreement shall be terminated within twenty calendar days of the date of said decision except as hereinafter provided or unless the carrier and the organization agree otherwise in writing.

If the decision is not satisfactory to the employee or to the organization it may be appealed in writing, by Registered or Certified Mail, Return Receipt Requested, directly to the highest officer of the carrier designated to handle appeals under this agreement. Such appeals must be received by such officer within ten calendar days of the date of the decision appealed from and shall operate to stay action on the termination of seniority and employment, until the decision on appeal is rendered. The carrier shall promptly notify the other party in writing of any such appeal, by Registered or Certified Mail, Return Receipt Requested. The decision on such appeal shall be rendered within twenty calendar days of the date the notice of appeal is received, and the employee and the organization shall be promptly advised thereof in writing by Registered or Certified Mail, Return Receipt Requested.

If the decision on such appeal is that the employee has not complied with the terms of this agreement, his seniority and employment under the Rules and Working Conditions Agreement shall be terminated within twenty calendar days of the date of said decision unless selection of a neutral is requested as provided below, or unless the carrier and the organization agree otherwise in writing. The decision on appeal shall be final and binding unless within ten calendar days from the date of the decision the organization or the employee involved requests the selection of a neutral person to decide the dispute as provided in Section 5 (c) below. Any request for selection of a neutral person as provided in Section 5 (c) below shall operate to stay action on the termination of seniority and employment until not more than ten calendar days from the date decision is rendered by the neutral person.

(c) If within ten calendar days after the date of a decision on appeal by the highest officer of the carrier designated to handle appeals under this agreement the organization or the employee involved requests such highest officer in writing by Registered or Certified Mail, Return Receipt Requested, that a neutral be appointed to decide the dispute, a neutral person to act as sole arbitrator to decide the dispute shall be selected by the highest officer of the carrier designated to handle appeals under this agreement or his designated representative, the Chief Executive of the organization or his designated representative, and the employee involved or his representative. If they are unable to agree upon the selection of a neutral person any one of them may request the Chairman of the National Mediation Board in writing to appoint such neutral. The carrier, the organization and the employee involved shall have the right to appear and present evidence at a hearing before such neutral arbitrator. Any decision by such neutral arbitrator shall be made within thirty calendar days from the date of receipt of the request for his appointment and shall be final and
binding upon the parties. The carrier, the employe, and the organization shall be promptly advised thereof in writing by Registered or Certified Mail, Return Receipt Requested. If the position of the employe is sustained, the fees, salary and expenses of the neutral arbitrator shall be borne in equal shares by the carrier and the organization; if the employe's position is not sustained, such fees, salary and expenses shall be borne in equal shares by the carrier, the organization and the employe.

(d) The time periods specified in this section may be extended in individual cases by written agreement between the carrier and the organization.

(e) Provisions of investigation and discipline rules contained in the Rules and Working Conditions Agreement between a carrier and the organization will not apply to cases arising under this agreement.

(f) The General Chairman of the organization shall notify the carrier in writing of the title(s) and address(es) of its representatives who are authorized to serve and receive the notices described in this agreement. The carrier shall notify the General Chairman of the organization in writing of the title(s) and address(es) of its representatives who are authorized to receive and serve the notices described in this agreement.

(g) In computing the time periods specified in this agreement, the date on which a notice is received or decision rendered shall not be counted.

Section 6. Other provisions of this agreement to the contrary notwithstanding, the Carrier shall not be required to terminate the employment of an employe until such time as a qualified replacement is available. The carrier may not, however, retain such employe in service under the provisions of this section for a period in excess of sixty calendar days from the date of the last decision rendered under the provisions of Section 5, or ninety calendar days from date of receipt of notice from the organization in cases where the employe does not request a hearing. The employe whose employment is extended under the provisions of this section shall not, during such extension, retain or acquire any seniority rights. The position will be advertised as vacant under the bulletining rules of the respective agreements but the employe may remain on the position he held at the time of the last decision, or at the date of receipt of notice where no hearing is requested pending the assignment of the successful applicant, unless displaced or unless the position is abolished. The above periods may be extended by agreement between the carrier and the organization involved.
Section 7. An employee whose seniority and employment under the Rules and Working Conditions Agreement is terminated pursuant to the provisions of this agreement or whose employment is extended under Section 6 shall have no time or money claims by reason thereof.

If the final determination under Section 5 of this agreement is that an employee's seniority and employment in a craft or class shall be terminated, no liability against the carrier in favor of the organization or other employees based upon an alleged violation, misapplication or non-compliance with any part of this agreement shall arise or accrue during the period up to the expiration of the 60 or 90 day periods specified in Section 6, or while such determination may be stayed by a court, or while a discharged employee may be restored to service pursuant to judicial determination. During such periods, no provision of any other agreement between the parties hereto shall be used as the basis for a grievance or time or money claim by or on behalf of any employee against the carriers predicated upon any action taken by the carrier in applying or complying with this agreement or upon an alleged violation, misapplication or non-compliance with any provision of this agreement. If the final determination under Section 5 of this agreement is that an employee's employment and seniority shall not be terminated, his continuance in service shall give rise to no liability against the carrier in favor of the organization or other employees based upon an alleged violation, misapplication or non-compliance with any part of this agreement.

Section 8. In the event that seniority and employment under the Rules and Working Conditions Agreement is terminated by the carrier under the provisions of this agreement, and such termination of seniority and employment is subsequently determined to be improper, unlawful, or unenforceable, the organization shall indemnify and save harmless the carrier against any and all liability arising as the result of such improper, unlawful, or unenforceable termination of seniority and employment; Provided, however, that this section shall not apply to any case in which the carrier involved is the plaintiff or the moving party in the action in which the aforesaid determination is made or in which case such carrier acts in collusion with any employee; Provided further, that the aforementioned liability shall not extend to the expense to the carrier in defending suits by employees whose seniority and employment are terminated by the carrier under the provisions of this agreement.

Section 9. An employee whose employment is terminated as a result of non-compliance with the provisions of this Agreement shall be regarded as having terminated his employe relationship for vacation purposes.

Section 10. (a) The Carriers party to this agreement shall periodically deduct from the wages of employees subject to this agreement
periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership in such organization, and shall pay the amount so deducted to such officers of the organization as the organization shall designate; Provided, however, that the requirements of this subsection (a) shall not be effective with respect to any individual employe until he shall have furnished the carrier with a written assignment to the organization of such membership dues, initiation fees and assessments, which assignment shall be revocable in writing after the expiration of one year or upon the termination of this agreement whichever occurs sooner.

(b) The provisions of subsection (a) of this section shall not become effective unless and until the carriers and the organization shall, as a result of further negotiations pursuant to the recommendations of Emergency Board No. 98, agree upon the terms and conditions under which such provisions shall be applied; such agreement to include, but not be restricted to, the means of making said deductions, the amounts to be deducted, the form, procurement and filing of authorization certificates, the frequency of deductions, the priority of said deductions with other deductions now or hereafter authorized, the payment and distributions of amounts withheld and any other matters pertinent thereto.

Section 11. This agreement shall become effective on April 30, 1953, and is in full and final settlement of notices served upon the carriers by the organizations signatory hereto on or about February 5, 1951. It shall be construed as a separate agreement by and on behalf of each carrier party hereto and those employes represented by each organization on each of said carriers heretofore stated. This agreement shall remain in effect until modified or changed in accordance with the provisions of the Railway Labor Act, as amended.

Signed at Kansas City, Missouri, this 30 day of March, 1953.

Addendum No. 3

NATIONAL HOLIDAY PROVISIONS

The following represents a synthesis in one document, for the convenience of the parties, of the current Holiday provisions of the National Agreement of August 21, 1954 and amendments thereto provided in various National Agreements.

This is intended as a guide and is not be construed as constituting a separate agreement between the parties. If any dispute arises as to the proper interpretation or application of any provision, the terms of the appropriate agreement shall govern.

Section 1. Subject to the qualifying requirements contained in Section 3 hereof, and to the conditions hereinafter provided, each hourly and daily rated employee shall receive eight hours' pay at the pro rata hourly rate for each of the following enumerated holidays:

- New Year's Day
- Washington's Birthday
- Good Friday
- Memorial Day
- Fourth of July
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Christmas Eve (the day before Christmas is observed)
- Christmas

provided that on railroads on which some holiday other than Good Friday has been substituted, by agreement, for the birthday holiday, unless the employees now desire to have Good Friday included as a holiday in place of such holiday which has been substituted for the birthday holiday such substitution will continue effective, and Good Friday will be eliminated from the holidays enumerated above and from the provisions of this Article II which follow.

(a) Holiday pay for regularly assigned employees shall be at the pro rata rate of the position to which assigned.

(b) For other than regularly assigned employees, if the holiday falls on a day on which he would otherwise be assigned to work, he shall, if consistent with the requirements of the service, be given the day off and receive eight hours' pay at the pro rata rate of the position which he otherwise would have worked. If the holiday falls on a day other than a day on which he otherwise would have worked, he shall receive eight hours' pay at the pro rata hourly rate of the position on which compensation last accrued to him prior to the holiday.

(c) Subject to the applicable qualifying requirements in Section 3 hereof, other than regularly assigned employees shall be eligible for the paid holidays or pay in lieu thereof provided for in paragraph (b) above, provided (1) compensation for service paid him by the carrier is credited to 11 or more of the 30 calendar days
immediately preceding the holiday and (2) he has had a seniority date for at least 60 calendar days or has 60 calendar days of continuous active service preceding the holiday beginning with the first day of compensated service, provided employment was not terminated prior to the holiday by resignation, for cause, retirement, death, non-compliance with a union shop agreement, or disapproval of application for employment.

(d) The provisions of this Section and Section 3 hereof applicable to other than regularly assigned employees are not intended to abrogate or supersede more favorable rules and practices existing on certain carriers under which other than regularly assigned employees are being granted paid holidays.

NOTE: This rule does not disturb agreements or practices now in effect under which any other day is substituted or observed in place of any of the above enumerated holidays.

Section 2. (a) Monthly rates, the hourly rates of which are predicated upon 169-1/3 hours, shall be adjusted by adding the equivalent of 56 pro rata hours to the annual compensation (the monthly rate multiplied by 12) and this sum shall be divided by 12 in order to establish a new monthly rate. The hourly factor will thereafter be 174 and overtime rates will be computed accordingly.

Weekly rates that do not include holiday compensation shall receive a corresponding adjustment.

(b) All other monthly rates of pay shall be adjusted by adding the equivalent of 28 pro rata hours to the annual compensation (the monthly rate multiplied by 12) and this sum shall be divided by 12 in order to establish a new hourly rate. The sum of presently existing hours per annum plus 28 divided by 12 will establish a new hourly factor and overtime rates will be computed accordingly.

Weekly rates not included in Section 2(a) shall receive a corresponding adjustment.

Effective January 1, 1973, the monthly rates of monthly rated employees shall be adjusted by adding the equivalent of 8 pro rata hours to their annual compensation (the monthly rate multiplied by 12) and this sum shall be divided by 12 in order to establish a new monthly rate. Weekly rates shall be adjusted by adding the equivalent of 8 pro rata hours to the annual compensation and a new weekly rate established in the same manner as under Article II, Section 2 of the August 21, 1954 Agreement. The hourly factor will be correspondingly increased and overtime rates will be computed accordingly.
Effective January 1, 1976, after application of the cost-of-living adjustment effective that date, the monthly rates of monthly rated employees shall be adjusted by adding the equivalent of 8 pro rata hours' pay to their annual compensation (the rate multiplied by 12) and this sum shall be divided by 12 in order to establish a new monthly rate. That portion of such 8 pro rata hours' pay which derives from the cost-of-living allowance will not become part of basic rates of pay except as provided in Article II, Section 1(d) of the Agreement of January 29, 1975. The sum of presently existing hours per annum plus 8, divided by 12, will establish a new hourly factor for purposes of applying cents-per-hour adjustments in such monthly rates of pay and computing overtime rates.

A corresponding adjustment shall be made in weekly rates and hourly factors derived therefrom.

The hourly factor as shown in Section 2(a) above, was as a result of the addition of the birthday holiday increased, effective January 1, 1965, to 174-2/3; as a result of the addition of Veterans Day as a holiday, effective January 1, 1973, increased to 175-1/3; and as a result of the addition of Christmas Eve as a holiday, effective January 1, 1976, increased to 176.

Section 3. A regularly assigned employee shall qualify for the holiday pay provided in Section 1 hereof if compensation paid him by the carrier is credited to the workdays immediately preceding and following such holiday or if the employee is not assigned to work but is available for service on such days. If the holiday falls on the last day of a regularly assigned employee's workweek, the first workday following his rest days shall be considered the workday immediately following. If the holiday falls on the first workday of his workweek, the last workday of the preceding workweek shall be considered the workday immediately preceding the holiday.

Except as provided in the following paragraph, all others for whom holiday pay is provided in Section 1 hereof shall qualify for such holiday pay if on the day preceding and the day following the holiday they satisfy one or the other of the following conditions:

(i) Compensation for service paid by the carrier is credited; or

(ii) Such employee is available for service.

NOTE: "Available" as used in subsection (ii) above is interpreted by the parties to mean that an employee is available unless he lays off of his own accord or does not respond to a call, pursuant to the rules of the applicable agreement, for service.

For the purposes of Section 1, other than regularly assigned employees who are relieving regularly assigned employees on the same assignment on both the workday preceding and the workday following the holiday will have the workweek of the incumbent of the assigned position
and will be subject to the same qualifying requirements respecting service and availability on the workdays preceding and following the holiday as apply to the employee whom he is relieving.

Compensation paid under sick-leave rules or practices will not be considered as compensation for purposes of this rule.

An employee who meets all other qualifying requirements will qualify for holiday pay for both Christmas Eve and Christmas Day if on the "workday" or the "day", as the case may be, immediately preceding the Christmas Eve holiday he fulfills the qualifying requirements applicable to the "workday" or the "day" before the holiday and on the "workday" or the "day", as the case may be, immediately following the Christmas Day holiday he fulfills the qualifying requirements applicable to the "workday" or the "day" after the holiday.

An employee who does not qualify for holiday pay for both Christmas Eve and Christmas Day may qualify for holiday pay for either Christmas Eve or Christmas Day under the provisions applicable to holidays generally.

Section 4. Provisions in existing agreements with respect to holidays in excess of the ten holidays referred to in Section 1 hereof shall continue to be applied without change.

Section 5. (a) Existing rules and practices thereunder governing whether an employee works on a holiday and the payment for work performed on a holiday are extended to apply to Good Friday, to Veterans Day and to Christmas Eve in the same manner as to other holidays listed or referred to therein.

(b) All rules, regulations or practices which provide that when a regularly assigned employee has an assigned relief day other than Sunday and one of the holidays specified therein falls on such relief day, the following assigned day will be considered his holiday, are hereby eliminated.

(c) Under no circumstances will an employee be allowed, in addition to his holiday pay, more than one time and one-half payment for service performed by him on a holiday which is also a work day, a rest, and/or a vacation day.

NOTE: This provision does not supersede provisions of the individual collective agreements that require payment of double time for holidays under specified conditions.

(d) Except as provided in this Section 5, existing rules and practices thereunder governing whether an employee works on a holiday and the payment for work performed on a holiday are not changed hereby.

Section 6. Article II, Section 6 of the Agreement of August 21, 1954, which was added by the Agreement of November 20, 1964, is eliminated. However, the adjustment in monthly rates of monthly rated employees which was made effective January 1, 1965, pursuant to Article
II of the Agreement of November 20, 1964, by adding the equivalent of 8 pro rata hours to their annual compensation (the monthly rate multiplied by 12) and dividing this sum by 12 in order to establish a new monthly rate, continues in effect. Effective January 1, 1972, weekly rates shall be adjusted by adding the equivalent of 8 pro rata hours to the annual compensation and a new weekly rate established in the same manner as under Article II, Section 2 of the August 21, 1954 Agreement. The hourly factor will be correspondingly increased and overtime rates will be computed accordingly. This adjustment will not apply to any weekly rates of pay which may have been earlier adjusted to include pay for the birthday holiday.

Section 7. When any of the ten recognized holidays enumerated in Section 1 of this Article II, or any day which by agreement, or by law or proclamation of the State or Nation, has been substituted or is observed in place of any of such holidays, falls during an hourly or daily rated employee's vacation period, he shall, in addition to his vacation compensation, receive the holiday pay provided for therein provided he meets the qualification requirements specified. The "workdays" and "days" immediately preceding and following the vacation period shall be considered the "workdays" and "days" preceding and following the holiday for such qualification purposes.

2. Employees transferred from the payrolls of the Louisiana & Arkansas Railway to the payrolls of the Kansas City Southern Railway, or vice versa, by reason of the operation of the provisions of this agreement, shall have the option of (a) retaining their group insurance, hospital association membership, and pass privileges on the road from which transferred, or, in lieu thereof (b) obtaining group insurance, hospi-

6. Carrier will make available, from the intersection of Milam and Portland, a means of transportation for employees who are required to report for, and are relieved from, duty at the new yard.

Such transportation between the intersection of Milam and Portland and the new yard will be without charge to employees. If it should develop that the transportation between Milam and Portland and the new yard is not being used sufficiently to justify its continuance, the management and committee will meet before such transportation facilities are discontinued and endeavor to work out a satisfactory arrangement. Such transportation shall be continued for a period not to exceed four years from the effective date of the joint terminal operation.

---

In connection with such coordination of terminal facilities of the Carriers at Shreveport, a question arose over the performance of work by Shopcrafts employees on the one hand and by Maintenance of Way employees on the other hand.

The Carriers and their Shopcrafts employees have agreed to the application of L&A shopcrafts agreement to shopcrafts employees in the coordinated terminal.

(1) The adoption of the L&A shopcrafts rules for application to shopcrafts employees in the coordinated terminal shall not be used as a vehicle to change performance of work as between Maintenance of Way employees and Shopcrafts employees as it exists, respectively, on the L&A and KCS.

(2) It is the purpose to attempt to preserve as much as possible the status of such work as it existed prior to the coordination. It is the intention to transfer to Shopcrafts employees at Shreveport, work (when required by the Carriers) which traditionally and regularly has been done by L&A Shopcrafts employees at Minden or KCS Shopcrafts employees at Shreveport for the maintenance of way department. Similarly it is the intention to transfer to Maintenance of Way employees at Shreveport work (when required by the company) which traditionally and regularly has been done by Maintenance of Way employees.

(b) That the metal planer and shaper in the frog shop will be operated by machinist.

(c) That the jointer now designated for the scale shop will be removed.

(d) That the 100-lb. hammer now designated for the frog shop will be removed and installed in the reclamation plant for operation by blacksmith.

(e) That the radial drill in frog shop will not be used for precision work by maintenance of way employees.

(f) That a carman will be assigned to work in the B&B shop, but this will not prevent B&B employees from also performing work with the machines in the B&B shop.

(g) That Blacksmiths have stated in conference that maintenance of way employees have not made new frogs and switches. Construction of new frogs and switches will be performed by Blacksmiths.

Dear Sir:

In conference June 3, 1960, it was agreed that effective June 1, 1960, the tamping machine operator's rate will be paid for operating the Fairmont "tie bed scarifier" and that machine operators will be used to operate this machine.

It was further agreed that:

1. We will allow the power tool differential to track laborers (section or extra gang) in the gang who operate the spike puller, rail lifter, tie remover and tie handler, when such power tools are used, subject to the provisions of the Composite Service Rule (29), in that this differential rate will apply for the entire day on any day a track laborer operates any of these power tools for four hours or more on any work day. If the laborer operates such tool or tools for less than four hours on any day, the regular laborer's rate (of that gang) will apply for the entire day.

2. No particular track laborer, or other employee, will have the right to claim the work of operating these or other power tools, and that such power tools may be operated by any other laborer selected by the foreman or supervisor.

3. Two or more laborers will not be used to operate the same power tool during the performance of any one day's work in order to avoid payment of the power tool differential under the terms of this agreement.

4. When these power tools are operated by track laborers, no other class of Maintenance of Way employees will have rights to claim such service and no such claims will be presented or progressed.

MEDIATION AGREEMENT

Case No. A-7128

This agreement made this 7th day of February, 1965, by and between the participating carriers listed in Exhibits A, B and C, attached hereto and hereby made a part hereof, and represented by the National Railway Labor Conference and the Eastern, Western and Southeastern Carriers' Conference Committees and the employees shown thereon and represented by the Railway Labor Organizations signatory hereto, through the Employees' National Conference Committee, Five Cooperating Railway Labor Organizations, witnesseth:

IT IS AGREED:

Article 1 - Protected Employees

Section 1. All employees, other than seasonal employees, who were in active service as of October 1, 1964, or who after October 1, 1964, and prior to the date of this Agreement have been restored to active service, and who had two years or more of employment relationship as of October 1, 1964, and had fifteen or more days of compensated service during 1964, will be retained in service subject to compensation as hereinafter provided unless or until retired, discharged for cause, or otherwise removed by natural attrition. Any such employees who are on furlough as of the date of this Agreement will be returned to active service before March 1, 1965, in accordance with the normal procedures provided for in existing agreements, and will thereafter be retained in compensated service as set out above, provided that no back pay will be due to such employees by reason of this Agreement. For the purpose of this Agreement, the term "active service" is defined to include all employees working, or holding an assignment, or in the process of transferring from one assignment to another (whether or not October 1, 1964 was a work day), all extra employees on extra lists pursuant to agreements or practice who are working or are available for calls for service and are expected to respond when called, and where extra boards are not maintained, furloughed employees who respond to extra work when called, and have averaged at least 7 days work for each month furloughed during the year 1964.

Section 2. Seasonal employees, who had compensated service during each of the years 1962, 1963 and 1964, will be offered employment in future years at least equivalent to what they performed in 1964, unless or until retired, discharged for cause, or otherwise removed by natural attrition.

Section 3. In the event of a decline in a carrier's business in excess of 5% in the average percentage of both gross operating revenue and net revenue ton miles in any 30-day period compared with the average of
the same period for the years 1963 and 1964, a reduction in forces in the crafts represented by each of the organizations signatory hereto may be made at any time during the said 30-day period below the number of employees entitled to preservation of employment under this Agreement to the extent of one percent for each one percent the said decline exceeds 5%. The average percentage of decline shall be the total of the percent of decline in gross operating revenue and percent of decline in net revenue ton miles divided by 2. Advance notice of any such force reduction shall be given as required by the current Schedule Agreements of the organizations signatory hereto. Upon restoration of a carrier's business following any such force reduction, employees entitled to preservation of employment must be recalled in accordance with the same formula within 15 calendar days.

Section 4. Notwithstanding other provisions of this Agreement, a carrier shall have the right to make force reductions under emergency conditions such as flood, snowstorm, hurricane, earthquake, fire or strike, provided that operations are suspended in whole or in part and provided further that because of such emergencies the work which would be performed by the incumbents of the positions to be abolished or the work which would be performed by the employees involved in the force reductions no longer exists or cannot be performed. Sixteen hours advance notice will be given to the employees affected before such reductions are made. When forces have been so reduced and thereafter operations are restored employees entitled to preservation of employment must be recalled upon the termination of the emergency. In the event the carrier is required to make force reductions because of the aforesaid emergency conditions, it is agreed that any decline in gross operating revenue and net revenue ton miles resulting therefrom shall not be included in any computation of a decline in the carrier's business pursuant to the provisions of Section 3 of this Article I.

Section 5. Subject to and without limiting the provisions of this agreement with respect to furloughs of employees, reductions in forces, employee absences from service or with respect to cessation or suspension of an employee's status as a protected employee, the carrier agrees to maintain work forces of protected employees represented by each organization signatory hereto in such manner that force reductions of protected employees below the established base as defined herein shall not exceed six per cent (6%) per annum. The established base shall mean the total number of protected employees in each craft represented by the organizations signatory hereto who qualify as protected employees under Section I of this Article I.

Article II - Use and Assignment of Employees and Loss of Protection

Section I. An employee shall cease to be a protected employee in case of his resignation, death, retirement, dismissal for cause in accordance with existing agreements, or failure to retain or obtain a position available to him in the exercise of his seniority rights in accordance
with existing rules or agreements, or failure to accept employment as provided in this Article. A protected furloughed employee who fails to respond to extra work when called shall cease to be a protected employee. If an employee dismissed for cause is reinstated to service, he will restored to the status of a protected employee as of the date of his reinstatement.

Section 2. An employee shall cease to be a protected employee in the event of his failure to accept employment in his craft offered to him by the carrier in any seniority district or on any seniority roster throughout the carrier's railroad system as provided in implementing agreements made pursuant to Article III hereof, provided, however, that nothing in this Article shall be understood as modifying the provisions of Article V hereof.

Section 3. When a protected employee is entitled to compensation under this Agreement, he may be used in accordance with existing seniority rules for vacation relief, holiday vacancies, or sick relief, or for any other temporary assignments which do not require the crossing of craft lines. Traveling expenses will be paid in instances where they are allowed under existing rules. Where existing agreements do not provide for traveling expenses, in those instances, the representatives of the organization and the carrier will negotiate in an endeavor to reach an agreement for this purpose.

Article III - Implementing Agreements

Section 1. The organizations recognize the right of the carriers to make technological, operational and organizational changes, and in consideration of the protective benefits provided by this Agreement the carrier shall have the right to transfer work and/or transfer employees throughout the system which do not require the crossing of craft lines. The organization signatory hereto shall enter into such implementing agreements with the carrier as may be necessary to provide for the transfer and use of employees and the allocation or rearrangement of forces made necessary by the contemplated change. One of the purposes of such implementing agreements shall be to provide a force adequate to meet the carrier's requirements.

Section 2. Except as provided in Section 3 hereof, the carrier shall give at least 60 days' (90 days in cases that will require a change of an employee's residence) written notice to the organization involved of any intended change or changes referred to in Section I of this Article whenever such intended change or changes are of such a nature as to require an implementing agreement as provided in said Section I. Such notice shall contain a full and adequate statement of the proposed change or changes, including an estimate of the number of employees that will be affected by the intended change or changes. Any change covered by such notice which is not made within a reasonable time following the service of the notice,
when all of the relevant circumstances are considered, shall not be made by the carrier except after again complying with the requirements of this Section 2.

Section 3. The carrier shall give at least 30 days' notice where it proposes to transfer no more than 5 employees across seniority lines within the same craft and the transfer of such employees will not require a change in the place of residence of such employee or employees, such notice otherwise to comply with Section 2 hereof.

Section 4. In the event the representatives of the carrier and organizations fail to make an implementing agreement within 60 days after notice is given to the general chairman or general chairmen representing the employees to be affected by the contemplated change, or within 30 days after notice where a 30-day notice is required pursuant to Section 3 hereof, the matter may be referred by either party to the Disputes Committee as hereinafter provided. The issues submitted for determination shall not include any question as to the right of the carrier to make the change but shall be confined to the manner of implementing the contemplated change with respect to the transfer and use of employees, and the allocation or rearrangement of forces made necessary by the contemplated change.

Section 5. The provisions of implementing agreements negotiated as hereinabove provided for with respect to the transfer and use of employees and allocation or reassignment of forces shall enable the carrier to transfer such protected employees and rearrange forces, and such movements, allocations and rearrangements of forces shall not constitute an infringement of rights of unprotected employees who may be affected thereby.

Article IV - Compensation Due Protected Employees

Section 1. Subject to the provisions of Section 3 of this Article IV, protected employees entitled to preservation of employment who hold regularly assigned positions on October 1, 1964, shall not be placed in a worse position with respect to compensation than the normal rate of compensation for said regularly assigned position on October 1, 1964; provided, however, that in addition thereto such compensation shall be adjusted to include subsequent general wage increases.

Section 2. Subject to the provisions of Section 3 of this Article IV, all other employees entitled to preservation of employment shall not be placed in a worse position with respect to compensation than that earned during a base period comprised of the last twelve months in which they performed compensated service immediately preceding the date of this Agreement. For purposes of determining whether, or to what extent, such an employee has been placed in a worse position with respect to his compensation, his total compensation and total time paid for during the base period will be separately divided by twelve. If his compensation in his current employment is less in any month (commencing with the first month following the date of this agreement)
than his average base period compensation (adjusted to include subsequent general wage increases), he shall be paid the difference less compensation for any time lost on account of voluntary absences to the extent that he is not available for service equivalent to his average time paid for during the base period, but he shall be compensated in addition thereto at the rate of the position filled for any time worked in excess of the time paid for during the base period; provided, however, that in determining compensation in his current employment the employee shall be treated as occupying the position producing the highest rate of pay and compensation to which his seniority entitles him under the working agreement and which does not require a change in residence.

Section 3. Any protected employee who in the normal exercise of his seniority bids in a job or is bumped as a result of such an employee exercising his seniority in the normal way by reason of a voluntary action, will not be entitled to have his compensation preserved as provided in Sections 1 and 2 hereof, but will be compensated at the rate of pay and conditions of the job he bids in; provided, however, if he is required to make a move or bid in a position under the terms of an implementing agreement made pursuant to Article III hereof, he will continue to be paid in accordance with Sections 1 and 2 of this Article IV.

Section 4. If a protected employee fails to exercise his seniority rights to secure another available position, which does not require a change in residence, to which he is entitled under the working agreement and which carries a rate of pay and compensation exceeding those of the position he elects to retain, he shall thereafter be treated for the purposes of this Article as occupying the position which he elects to decline.

Section 5. A protected employee shall not be entitled to the benefits of this Article during any period in which he fails to work due to disability, discipline, leave of absence, military service, or other absence from the carrier's service, or during any period in which he occupies a position not subject to the working agreement; nor shall a protected employee be entitled to the benefits of this Article IV during any period when furloughed because of reduction in force resulting from seasonal requirements (including lay-offs during Miners' Holiday and the Christmas Season) or because of reduction in forces pursuant to Article I, Sections 3 or 4, provided, however, that employees furloughed due to seasonal requirements shall not be furloughed in any 12-month period for a greater period than they were furloughed during the 12 months preceding the date of this agreement.

Section 6. The carrier and the organizations signatory here-to will exchange such data and information as are necessary and appropriate to effectuate the purposes of this Agreement.
Article V - Moving Expenses and Separation Allowances

In the case of any transfers or rearrangement of forces for which an implementing agreement has been made, any protected employee who has 15 or more years of employment relationship with the carrier and who is requested by the carrier pursuant to said implementing agreement to transfer to a new point of employment requiring him to move his residence shall be given an election, which must be exercised within seven calendar days from the date of request, to resign and accept a lump sum separation allowance in accordance with the following provisions:

If the employee elects to transfer to the new point of employment requiring a change of residence, such transfer and change of residence shall be subject to the benefits contained in Sections 10 and 11 of the Washington Agreement notwithstanding anything to the contrary contained in said provisions and in addition to such benefits shall receive a transfer allowance of four hundred dollars ($400) and five working days instead of the "two working days" provided by Section 10(a) of said Agreement.

If the employee elects to resign in lieu of making the requested transfer as aforesaid he shall do so as of the date the transfer would have been made and shall be given (in lieu of all other benefits and protections to which he may have been entitled under the Protective Agreement and Washington Agreement) a lump sum separation allowance which shall be computed in accordance with the schedule set forth in Section 9 of the Washington Agreement; provided, however, that force reductions permitted to be made under this Agreement shall be in addition to the number of employees who resign to accept the separation allowance herein provided.

Those protected employees who do not have 15 years or more of employment relationship with the carrier and who are required to change their place of residence shall be entitled to the benefits contained in Sections 10 and 11 of the Washington Agreement notwithstanding anything to the contrary contained in such provisions and in addition to such benefits shall receive a transfer allowance of four hundred dollars ($400) and 5 working days instead of "two working days" provided in Section 10(a) of said Agreement.

Article VI - Application to Mergers, Consolidations and Other Agreements

Section 1. Any merger agreement now in effect applicable to merger of two or more carriers, or any job protection or employment security agreement which by its terms is of general system-wide and continuing application, or which is not of general system-wide application but which by its terms would apply in the future, may be preserved by the employee representatives so notifying the carrier.
within sixty days from the date of this agreement, and in that event
this agreement shall not apply on that carrier to employees repre-
"sentted by such representatives.

Section 2. In the event of merger or consolidation of two or
more carriers, parties to this Agreement on which this agreement is
applicable, or parts thereof, into a single system subsequent to the
date of this agreement, the merged, surviving or consolidated carrier
will constitute a single system for purposes of this agreement, and
the provisions hereof shall apply accordingly, and the protections
and benefits granted to employees under this agreement shall con-
tinue in effect.

Section 3. Without in any way modifying or diminishing the pro-
tection, benefits or other provisions of this agreement, it is under-
stood that in the event of a coordination between two or more carriers
as the term "coordination" is defined in the Washington Job Protec-
tion Agreement, said Washington Agreement will be applicable to such
coordination, except that Section 13 of the Washington Job Protection
Agreement is abrogated and the disputes provisions and procedures
of this agreement are substituted therefor.

Section 4. Where prior to the date of this agreement the Wash-
ington Job Protection Agreement (or other agreements of similar type
whether applying inter-carrier or intra-carrier) has been applied to
a transaction, coordination allowance and displacement allowances
(or their equivalents or counterparts, if other descriptive terms
are applicable on a particular railroad) shall be unaffected by this
agreement either as to amount or duration, and allowances payable
under the said Washington Agreement or similar agreements shall not
be considered compensation for purposes of determining the compen-
sation due a protected employee under this agreement.

Article VII - Disputes Committee

Section 1. Any dispute involving the interpretation or applica-
tion of any of the terms of this agreement and not settled on the
carrier may be referred by either party to the dispute for decision
to a committee consisting of two members of the Carriers' Confer-
ence Committees signatory to this agreement, two members of the Em-
ployees' National Conference Committee signatory to this agreement,
and a referee to be selected as hereinafter provided. The referee
selected shall preside at the meetings of the committee and act as
chairman of the committee. A majority vote of the partisan members
of the committee shall be necessary to decide a dispute, provided
that if such partisan members are unable to reach a decision, the
dispute shall be decided by the referee. Decisions so arrived at
shall be final and binding upon the parties to the dispute.
Section 2. The parties to this agreement will select a panel of three potential referees for the purpose of disposing of disputes pursuant to the provisions of this section. If the parties are unable to agree upon the selection of the panel of potential referees within 30 days of the date of the signing of this agreement, the National Mediation Board shall be requested to name such referee or referees as are necessary to fill the panel within 5 days after the receipt of such request. Each panel member selected shall serve as a member of such panel for a period of one year, if available. Successors to the members of the panel shall be appointed in the same manner as the original appointees.

Section 3. Disputes shall be submitted to the committee by notice in writing to the Chairman of the National Railway Labor Conference and to the Chairman of the Employees' National Conference Committee, signatories to this agreement, who shall within 10 days of receipt of such notice, designate the members of their respective committees who shall serve on the committee and arrange for a meeting of the committee to consider such disputes as soon as a panel referee is available to serve, and in no event more than 10 days thereafter. Decision shall be made at the close of the meeting if possible (such meeting not to continue for more than 5 days) but in any event within 5 days of the date such meeting is closed, provided that the partisan members of the committee may by mutual agreement extend the duration of the meeting and the period for decision. The notice provided for in this Section 3 shall state specifically the questions to be submitted to the committee for decision; and the committee shall confine itself strictly to decisions as to the question so specifically submitted to it.

Section 4. Should any representative of a party to a dispute on any occasion fail or refuse to meet or act as provided in Section 3, then the dispute shall be regarded as decided in favor of the party whose representatives are not guilty of such failure or refusal and settled accordingly but without establishing a precedent for any other cases; provided that a partisan member of the committee may, in the absence of his partisan colleague, vote on behalf of both.

Section 5. The parties to the dispute will assume the compensation, travel expense and other expense of their respective partisan committee members. Unless other arrangements are made, the office, stenographic and other expenses of the committee, including compensation and expenses of the referee, shall be shared equally by the parties to the dispute.

Article VIII - Effect of This Agreement

This Agreement is in settlement of the disputes growing out of notices served on the carriers listed in Exhibits A, B and C on or about May 31, 1963 relating to Stabilization of Employment, and out
of proposals served by the individual railroads on organization representatives of the employees involved on or about June 17, 1963 relating to Technological, Organizational and Other Changes and Employee Protection. This Agreement shall be construed as a separate Agreement by and on behalf of each of said carriers and its employees represented by each of the organizations signatory hereto. The provisions of this Agreement shall remain in effect until July 1, 1967, and thereafter until changed or modified in accordance with the provisions of the Railway Labor Act, as amended.

No party to this agreement shall serve, prior to January 1, 1967, any notice or proposal on a national, regional or local basis for the purpose of changing the provisions of this Agreement, or which relates to the subject matter contained in the proposals of the parties referred to in this Article, and that portion of pending notices relating to such subject matters, whether local, regional or national in character, are withdrawn. Any notice or proposal of the character referred to in this paragraph served on or after January 1, 1967 shall not be placed into effect before July 1, 1967.

Article IX - Court Approval

This Agreement is subject to approval of the courts with respect to carriers in the hands of receivers or trustees.

BETWEEN

THE KANSAS CITY SOUTHERN RAILWAY COMPANY

LOUISIANA & ARKANSAS RAILWAY COMPANY

AND

BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYES

In full disposition of Section V of the Award of Arbitration Board No. 298, and your letter request of January 9, 1968, in regard thereto-

IT IS HEREBY AGREED AS FOLLOWS:

SECTION I

The railroad company shall provide for employees who are employed in a type of service, the nature of which regularly requires them throughout their work week to live away from home in camp cars, camps, highway trailers, hotels or motels, as follows:

A. Lodging

1. If lodging is furnished by the railroad company, the camp cars or other lodging furnished shall include bed, mattress, bathing and toilet facilities. In lieu of any obligation on the part of the railroad company to furnish, maintain, launder, et cetera, pillows, bed linens, blankets and towels, and to furnish soap and cleaning supplies, the company shall pay monthly to each employee entitled to such lodging referred to herein a money allowance equivalent to 17 cents per day (not subject to wage adjustments) for each day of the calendar week, including rest days, and holidays, except that it shall not be payable for work days on which the employee is voluntarily absent from service, and it shall not be payable for rest days or holidays if the employee is voluntarily absent from service when work was available to him on the work day preceding or the work day following said rest days or holidays.

2. Lodging facilities furnished by the railroad company shall be adequate for the purpose and maintained in a clean, healthful and sanitary condition. It will be the duty of the foreman to see that cars or trailers are kept clean.
3. If lodging is not furnished by the railroad company the employee shall be reimbursed for the actual reasonable expense thereof not in excess of $6.40 per day. (10-30-78)

B. Meals

1. If the railroad company provides cooking and eating facilities and pays the salary or salaries of necessary cooks, each employee shall be paid a meal allowance of $1.60 per day. (10-30-78)

NOTE: Cooking and eating facilities referred to above shall include stove and fuel therefor, refrigerator, table and seats, but shall not include cooking utensils, tableware (dishes, silverware, et cetera) and linens.

2. If the railroad company provides cooking and eating facilities but does not furnish and pay the salary or salaries of necessary cooks, each employee shall be paid a meal allowance of $3.20 per day. (10-30-78)

NOTE: Cooking and eating facilities referred to above shall include stove and fuel therefor, refrigerator, table and seats, but shall not include cooking utensils, tableware (dishes, silverware, et cetera) and linens.

3. If the employees are required to obtain their meals in restaurants or commissaries, each employee shall be paid a meal allowance of $4.80 per day. (10-30-78)

4. The foregoing per diem meal allowance shall be paid for each day of the calendar week, including rest days and holidays, except that it shall not be payable for work days on which the employee is voluntarily absent from service, and it shall not be payable for rest days or holidays if the employee is voluntarily absent from service when work was available to him on the work day preceding or the work day following said rest days or holidays.

C. Travel from one work point to another.

1. Time spent in traveling from one work point to another (during regular assigned hours, outside of regularly assigned hours or on a rest day or holiday) shall be paid for at the straight time rate.

2. An employee who is not furnished means of transportation by the railroad company from one work point to another and who uses other forms of transportation for this purpose shall be reimbursed for the cost of such other transportation. If he uses his personal automobile for this purpose in the absence of transportation furnished by the railroad company he shall be reimbursed for such use of his automobile at the rate of fifteen cents a mile. If an employee's work point is changed dur-
ing his absence from the work point on a rest day or holiday
this paragraph shall apply to any mileage he is required to
travel to the new work point in excess of that required to re-
turn to the former work point. (10-30-78)

NOTE: In the event employees occupying bunk cars, or trailers,
are moved to a new work location to perform emergency or
temporary service and are not accompanied by their bunk
cars or trailers, such employees will be allowed actual
necessary expenses.

SECTION II

Employees (other than those referred to in Section I above
and other than dining car employees) who are required in the course of
their employment to be away from their headquarters point as designated
by the carrier, including employees filling relief assignments or per-
forming extra or temporary service, shall be compensated as follows:

A. 1. The carrier shall designate a headquarters point for each regu-
lar position and each regular assigned relief position. For
employees, other than those serving in regular positions or in
regular assigned relief positions, the carrier shall designate
a headquarters point for each employee. No designated head-
quartes point may be changed more frequently than once each 60
days and only after at least 15 days' written notice to the em-
ployee affected.

NOTE: For relief Foremen who are otherwise assigned, the head-
quartes point will be the headquarters of the position
from which taken to perform relief work.

2. Employees having designated headquarters points will be compen-
sated for expenses under present agreement rules.

3. The following will apply only to employees performing extra or
regular assigned relief work or filling temporary vacancies, or
regular assigned employees diverted from their regular assign-
ment to perform such work.

When employees are unable to return to their headquarters point
on any day they shall be reimbursed for the actual reasonable
cost of meals and lodging away from their headquarters point not
in excess of $11.20 per day. (10-30-78)

An employee in such service shall be furnished with free trans-
portation by the railroad company in traveling from his head-
quartes point to another point and return, or from one point
to another. If such transportation is not furnished, he will
be reimbursed for the cost of rail fare if he travels on other
rail lines, or the cost of other public transportation used in
making the trip; or if he has an automobile which he is willing
to use and the carrier authorizes him to use said automobile,
he will be paid an allowance of fifteen cents for each mile in
traveling from his headquarters point to the work point, and return, or from one work point to another. (10-30-78)

If the time consumed in actual travel, including waiting time enroute, from the headquarters point to the work location, together with necessary time spent waiting for the employee's shift to start, exceeds one hour, or if on completion of his shift necessary time spent waiting for transportation plus the time of travel, including waiting time enroute, necessary to return to his headquarters point or to the next work location exceeds one hour, then the excess over one hour in each case shall be paid for as working time at the straight time rate of the job to which traveled. When employees are traveling by private automobile, time shall be computed at the rate of two minutes per mile traveled.

- - - - - - - - -

No travel time or expense under any of the provisions of this Agreement will be allowed an employee for travel in the exercise of his seniority.

This Agreement shall become effective as of October 15, 1967, as provided in Arbitration Award No. 298 and will continue in effect thereafter subject to the serving of thirty days' notice by either party thereto and further handling to be in pursuance of provisions of the Railway Labor Act.

SUPPLEMENTAL AGREEMENT

May 17, 1968

Article IV-Contracting Out

In the event a carrier plans to contract out work within the scope of the applicable schedule agreement, the carrier shall notify the General Chairman of the organization involved in writing as far in advance of the date of the contracting transaction as is practicable and in any event not less than 15 days prior thereto.

If the General Chairman, or his representative, requests a meeting to discuss matters relating to the said contracting transaction, the designated representative of the carrier shall promptly meet with him for that purpose. Said carrier and organization representatives shall make a good faith attempt to reach an understanding concerning said contracting, but if no understanding is reached the carrier may nevertheless proceed with said contracting, and the organization may file and progress claims in connection therewith.

Nothing in this Article IV shall affect the existing rights of either party in connection with contracting out. Its purpose is to require the carrier to give advance notice and, if requested, to meet with the General Chairman or his representative to discuss and if possible reach an understanding in connection therewith.

Existing rules with respect to contracting out on individual properties may be retained in their entirety in lieu of this rule by an organization giving written notice to the carrier involved at any time within 90 days after the date of this agreement.
Article VI-Emergency Force Reduction Rule

(a) Rules, agreements or practices, however established, that require advance notice before positions are temporarily abolished or forces are temporarily reduced are hereby modified so as not to require advance notice where a suspension of an individual carrier's operations in whole or in part is due to a labor dispute between such carrier and any of its employees.

(b) Except as provided in paragraph (a) hereof, rules, agreements or practices, however established, that require advance notice to employees before temporarily abolishing positions or making temporary force reductions are hereby modified to eliminate any requirement for such notice under emergency conditions, such as flood, snow storm, hurricane, tornado, earthquake, fire, or a labor dispute other than as defined in paragraph (a) hereof, provided that such conditions result in suspension of a carrier's operations in whole or in part. It is understood and agreed that such temporary force reductions will be confined solely to those work locations directly affected by any suspension of operations. It is further understood and agreed that notwithstanding the foregoing, any employee who is affected by such an emergency force reduction and reports for work for his position without having been previously notified not to report, shall receive four hours' pay at the applicable rate for his position. If an employee works any portion of the day he will be paid in accordance with existing rules.
SUPPLEMENTAL AGREEMENT

February 10, 1971

Article V—Payments To Employees Injured Under Certain Circumstances

Where employees sustain personal injuries or death under the conditions set forth in paragraph (a) below, the carrier will provide and pay such employees, or their personal representative, the applicable amounts set forth in paragraph (b) below, subject to the provisions of other paragraphs in this Article.

(a) Covered Conditions—

This Article is intended to cover accidents involving employees covered by this agreement while such employees are riding in, boarding, or alighting from off-track vehicles authorized by the carrier and are

(1) deadheading under orders or

(2) being transported at carrier expense.

(b) Payments to be Made—

In the event that any one of the losses enumerated in subparagraphs (1), (2) and (3) below results from an injury sustained directly from an accident covered in paragraph (a) and independently of all other causes and such loss occurs or commences within the time limits set forth in subparagraphs (1), (2) and (3) below, the carrier will provide, subject to the terms and conditions herein contained, and less any amounts payable under Group Policy Contract CA-23000 of The Travelers Insurance Company or any other medical or insurance policy or plan paid for in its entirety by the carrier, the following benefits:

(1) Accidental Death or Dismemberment

The carrier will provide for loss of life or dismemberment occurring within 120 days after date of an accident covered in paragraph (a):

| Loss of Life | $150,000 |
| Loss of Both Hands | 150,000 |
| Loss of Both Feet | 150,000 |
| Loss of Sight of Both Eyes | 150,000 |
| Loss of One Hand and One Foot | 150,000 |
| Loss of One Hand and Sight of One Eye | 150,000 |
| Loss of One Foot and Sight of One Eye | 150,000 |
| Loss of One Hand or One Foot or Sight of One Eye | 75,000 |
"Loss" shall mean, with regard to hands and feet, dismemberment by severance through or above wrist or ankle joints; with regard to eyes, entire and irrecoverable loss of sight.

Not more than $150,000 will be paid under this paragraph to any one employee or his personal representative as a result of any one accident. (10-30-78)

(2) Medical and Hospital Care

The carrier will provide payment for the actual expense of medical and hospital care commencing within 120 days after an accident covered under paragraph (a) of injuries incurred as a result of such accident, subject to limitation of $3,000 for any employee for any one accident, less any amounts payable under Group Policy Contract GA-23000 of The Travelers Insurance Company or under any other medical or insurance policy or plan paid for in its entirety by the carrier.

(3) Time Loss

The carrier will provide an employee who is injured as a result of an accident covered under paragraph (a) hereof and who is unable to work as a result thereof commencing within 30 days after such accident 80% of the employee's basic full-time weekly compensation from the carrier for time actually lost, subject to a maximum payment of $150.00 per week for time lost during a period of 156 continuous weeks following such accident provided, however, that such weekly payment shall be reduced by such amounts as the employee is entitled to receive as sickness benefits under provisions of the Railroad Unemployment Insurance Act. (10-30-78)

(4) Aggregate Limit

The aggregate amount of payments to be made hereunder is limited to $1,000,000 for any one accident and the carrier shall not be liable for any amount in excess of $1,000,000 for any one accident irrespective of the number of injuries or deaths which occur in or as a result of such accident. If the aggregate amount of payments otherwise payable hereunder exceeds the aggregate limit herein provided, the carrier shall not be required to pay as respects each separate employee a greater proportion of such payments than the aggregate limit set forth herein bears to the aggregate amount of all such payments.

(c) Payment in Case of Accidental Death:

Payment of the applicable amount for accidental death shall be made to the employee's personal representative for the benefit of the persons designated in, and according to the apportionment required by the Federal Employers Liability Act (45 U.S.C. 51 et
seq., as amended), or if no such person survives the employee, for the benefit of his estate.

(d) Exclusions:

Benefits provided under paragraph (b) shall not be payable for or under any of the following conditions:

(1) Intentionally self-inflicted injuries, suicide or any attempt thereat, while sane or insane;

(2) Declared or undeclared war or any act thereof;

(3) Illness, disease, or any bacterial infection other than bacterial infection occurring in consequence of an accidental cut or wound;

(4) Accident occurring while the employee driver is under the influence of alcohol or drugs, or if an employee passenger who is under the influence of alcohol or drugs in any way contributes to the cause of the accident;

(5) While an employee is a driver or an occupant of any conveyance engaged in any race or speed test;

(6) While an employee is commuting to and/or from his residence or place of business.

(e) Offset:

It is intended that this Article V is to provide a guaranteed recovery by an employee or his personal representative under the circumstances described, and that receipt of payment thereunder shall not bar the employee or his personal representative from pursuing any remedy under the Federal Employers Liability Act or any other law; provided, however, that any amount received by such employee or his personal representative under this Article may be applied as an offset by the railroad against any recovery so obtained.

(f) Subrogation:

The carrier shall be subrogated to any right of recovery an employee or his personal representative may have against any party for loss to the extent that the carrier has made payments pursuant to this Article.

The payments provided for above will be made, as above provided, for covered accidents on or after May 1, 1971.

It is understood that no benefits or payments will be due or payable to any employee or his personal representative unless such employee, or his personal representative, as the case may be, stipulates as follows:
"In consideration of the payment of any of the benefits provided in Article V of the Agreement of February 10, 1971, (employee or personal representative) agrees to be governed by all of the conditions and provisions said and set forth by Article V."

Savings Clause

This Article V supersedes as of May 1, 1971, any agreement providing benefits of a type specified in paragraph (b) hereof under the conditions specified in paragraph (a) hereof; provided, however, any individual railroad party hereto, or any individual committee representing employees party hereto, may by advising the other party in writing by April 1, 1971, elect to preserve in its entirety an existing agreement providing accident benefits of the type provided in this Article V in lieu of this Article V.

Longview, Texas 75601

Dear Sir:

Pursuant to our various discussions in regard to working certain gangs four days per week, ten hours per day, it is agreed:

(1) Only those road gang employees who are employed in a type of service, the nature of which regularly requires them throughout their work week to live away from home in outfit cars, highway trailers, campers, hotels or motels, will be eligible to have an assignment consisting of four days per week and ten hours per day, exclusive of meal period, to be worked at the pro rata rates, hereinafter re-referred to as "compressed work week".

(2) In all cases, the Superintendent in charge of the territory involved shall have the exclusive right to determine which road gangs on the respective territories will be eligible for and the duration of which they will be allowed to work the compressed work week, in connection with which they will take into account but will not be limited to considering the following factors in making their determination:

Safety
Fatigue of Employees
Traffic Density
Terrain
Weather
Seasons
Available Daylight Hours
Type of Gang

(3) Employees of the road gangs determined to be eligible for the compressed work week will be apprised of this in the bulletin advertising the establishment of the gang or, if an existing gang, the employees will be notified by bulletin that their gang is eligible for the compressed work week.
(4) Any road gang selected to work a compressed work week shall be given notice on the last work day of the week preceding the first work day in the succeeding week that the gang will commence working the compressed work week. When reverting to the normal forty-hour, five day work week, employees of a road gang working a compressed work week will be notified on the last work day in the week preceding return to the normal hours and work week beginning the following Monday.

(5) Employees of the selected road gangs working the compressed work week will be assigned to a work week of four days, either Monday through Thursday or Tuesday through Friday, and their daily assigned working hours will consist of ten hours, exclusive of meal period, to be worked at the pro rata rates.

(6) If employees of a road gang working the compressed work week are assigned to work Monday through Thursday, they will have rest days of Friday, Saturday and Sunday; if assigned to work Tuesday through Friday, they will have rest days of Saturday, Sunday and Monday.

(7) Employees in the road gang working a compressed work week who live in outfit cars will, during the time so assigned, receive the seventeen (17) cents "pillow, etc." allowance (May 1, 1968 Agreement, Section IA), on either the Monday or Friday rest day if they have compensation credited them on the work days preceding and following such rest day.

(8) Employees of road gangs while assigned to a compressed work week will be credited, for vacation qualifying purposes, 1.25 days for each day on which service is performed on a work day during the compressed work week. Employees who observe their vacations while assigned to a compressed work week will be charged with 1.25 days for each work day while on vacation during the compressed work week.

(9) Employees of road gangs while assigned to a compressed work week who are qualified protected seasonal employees under the February 7, 1965 Mediation Agreement will be credited, for purposes of applying that Agreement, with 1.25 days' service for each day compensation is credited to them on their work day while working a compressed work week.

(10) Employees exercising seniority displacement rights into or away from positions in road gangs which are working a compressed work week shall take all the conditions of the assignments they obtain and shall have no claim to loss of compensation or claim to overtime account working in excess of forty hours or on more than five days in their work week by reason of such exercise of seniority rights.
(11) If a road gang is working a compressed work week and all or some of the positions in such gang are to be abolished, the Carrier will have satisfied the advance notice requirement of Article III, of National Agreement dated June 5, 1962, by giving a four working days' notice of abolishment of such positions.

(12) This Agreement shall become effective November 15, 1972, and shall remain in effect unless cancelled by either party serving an advance thirty (30) day notice on the other party, or unless at any time hereafter the Laws of the Land declare such arrangements illegal.

Yours very truly,

THE KANSAS CITY SOUTHERN RAILWAY COMPANY
LOUISIANA & ARKANSAS RAILWAY COMPANY

And

BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYEES

The parties hereto, The Kansas City Southern Railway Company and Louisiana & Arkansas Railway Company (hereinafter referred to as the Carrier) and Brotherhood of Maintenance of Way Employees (hereinafter referred to as the Union) have mutually agreed to the withholding and deducting from wages of employees working under agreements between the Carrier and the Union, who are members of the Union and have so authorized the Carrier by signed authorizations, periodic membership dues, initiation fees, assessments and insurance premiums (not including fines and/or penalties), uniformly required as a condition of acquiring or retaining membership in the Union, and to pay to the Union the amounts so deducted and withheld.

(1) The wage assignment authorization shall be on a card of a type and in the form shown on Exhibit A hereto. Such form must be fully completed and signed by the individual involved for it to be recognized by the Carrier. Such authorization forms (to be furnished by Carrier), in accordance with the terms thereof, shall be considered as subject to revocation, and such revocation must be in form (of the same size as the authorization card) per Exhibit B, completed and signed by the individual involved. Both of such forms (see Exhibits A and B) will be in card form (3-1/4" x 7-3/8").

The Union shall have the responsibility for procuring properly executed authorization forms from employees, and delivering same to the Comptroller of the Carrier at 114 West 11th Street, Kansas City, Missouri, 64105, at least 30 days in advance of the first payroll deduction scheduled for each individual. Written revocations of authorizations must be delivered to the Comptroller of Carrier at the above address not later than the 15th day of the month in which the termination of deduction is to become effective.

(2) In addition to the Union furnishing authorization cards for the deductions referred to above, the Union shall furnish to the Comptroller of the Carrier, at least 30 days in advance of the payroll deduction date which deductions are to be made, a certified statement (see Exhibit C), showing the name, Social Security number, the terminal or division on which employed, and the amount to be deducted from the wages of each
employee represented by the Union who has signed a wage assignment form and which form has been furnished to the Comptroller of the Carrier. After the first month, only changes in the original list will be shown on the list, and the dues deduction amounts may not be changed more often than once every three months. If premiums for life insurance are changed, such changes may be made upon thirty days' notice.

Deductions will be made quarterly from the wages earned in the second pay period of February, May, August and November. The following payroll deductions will have priority over deductions in favor of the Union as covered by this agreement:

(a) Federal, State and Municipal Taxes and other deductions required by law, including garnishments and attachments and any other prior liens which Carrier must respect.

(b) Amounts due the Carrier.

(c) Insurance premiums, other than insurance premiums referred to in this agreement.

(d) Prior valid assignments and deductions.

If the earnings of any employee, after all deductions having priority have been made, are insufficient to remit the full amount of deductions authorized by said employee hereunder, no deduction for dues, initiation fees, assessments and insurance premiums on behalf of the Union shall be made by the Carrier from the wages of said employee and the Carrier shall not be responsible for such collection; nor shall they be accumulated and deducted in subsequent months.

Deductions will be made only on regular payrolls, and none will be made from special payrolls or time vouchers.

(3) This agreement shall cease to apply to any employee who may be adjudged bankrupt or insolvent under any federal or state laws, and any wage assignment authorization given hereunder shall become void.

(4) Responsibility of the Carrier under this agreement shall be limited to remitting to the Union amounts actually deducted from the wages of employees pursuant to this agreement, and the Carrier shall not be responsible financially or otherwise for failure to make deductions or for making improper or inaccurate deductions.

Any questions arising as to the correctness of the amounts deducted shall be handled between the employee involved and the Union, and any complaints against the Carrier in connection therewith shall be handled by the Union in behalf of the employee concerned. Nothing contained herein shall be construed as obligating the Carrier to collect dues, initiation fees, assessments or insurance premiums from employees who leave its service, or who give up membership in the Union for any reason, or whose wages shall be involved in any claim or litigation of any nature whatsoever.
(5) The Carrier will make such remittance not later than the last
day of the month following the month in which the deduction is made.
At the time of making such remittance the Carrier will furnish each
local lodge with an alphabetical list (in triplicate) of employees from
whom deductions were made. Such lists will include the employee's name,
Social Security number, and the amount of union dues deducted from the
pay of each employee.

(6) The Union will furnish to the Comptroller of the Carrier a
list showing all local lodges, names, addresses and titles of Union
local lodge officers to whom deductions made pursuant to this agreement
are to be forwarded. The Union shall keep the Comptroller of the
Carrier advised as to changes in such local lodge officers, and such
changes shall be furnished to such Comptroller by the 15th day of the
month in which deductions are to be made.

(7) Except for remitting to the Union monies deducted from the
wages of employees, as described in Section 5 hereof, the Union shall
indemnify, defend and save harmless the Carrier from and against any
and all claims, demands, liability, losses or damage resulting from
entering into this agreement or arising or growing out of any dispute
or litigation from any deductions made by the Carrier from the wages of
its employees for or on behalf of the Union.

(8) No part of this agreement shall be used in any manner whatso-
ever, either directly or indirectly, as a basis for a grievance (except
as provided in Section 4 hereof) or time claim by or in behalf of any
employee; and no part of this or any other agreement between the
Carrier and the Union shall be used as a basis for a grievance (other
than as provided in Section 4) or time claim by or in behalf of any
employee predicated upon any alleged violation of, or misapplication or
noncompliance with, any part of this agreement.

(9) This agreement is subject to federal or state laws in exist-
ence or enacted hereinafter, during the effective period of this agree-
ment, and the parties hereto will be relieved of complying with this
agreement if contrary to any such law or laws. This agreement will
also be subject to immediate written cancellation by Carrier if state or
federal laws require a change in the pay dates of payroll procedures.

This agreement will become effective November 1, 1973 and
will remain in effect subject to the provisions of the Railway Labor
Act.

Signed at Kansas City, Missouri, this 8th day of October, 1973.

Bereavement Leave
(October 30, 1978 National Agreement)

"Bereavement leave, not in excess of three calendar days, following the date of death will be allowed in case of death of an employee's brother, sister, parent, child, spouse or spouse's parent. In such cases a minimum basic day's pay at the rate of the last service rendered will be allowed for the number of working days lost during bereavement leave. Employees involved will make provision for taking leave with their supervising officials in the usual manner."
BEREAVEMENT LEAVE INTERPRETATIONS

Q-1: How are the three calendar days to be determined?

A-1: An employee will have the following options in deciding when to take bereavement leave:

a) three consecutive calendar days, commencing with the day of death, when the death occurs prior to the time an employee is scheduled to report for duty;

b) three consecutive calendar days, ending the day of the funeral service; or

c) three consecutive calendar days, ending the day following the funeral service.

Q-2: Does the three (3) calendar days allowance pertain to each separate instance, or do the three (3) calendar days refer to a total of all instances?

A-2: Three days for each separate death; however, there is no pyramiding where a second death occurs within the three-day period covered by the first death.

Example: Employee has a work week of Monday to Friday - off-days of Saturday and Sunday. His mother dies on Monday and his father dies on Tuesday. At a maximum, the employee would be eligible for bereavement leave on Tuesday, Wednesday, Thursday and Friday.

Q-3: An employee working from an extra board is granted bereavement leave on Wednesday, Thursday and Friday. Had he not taken bereavement leave he would have been available on the extra board, but would not have performed service on one of the days on which leave was taken. Is he eligible for two days or three days of bereavement pay?

A-3: A maximum of two days.

Q-4: Will a day on which a basic day's pay is allowed account bereavement leave serve as a qualifying day for holiday pay purposes?

A-4: No; however, the parties are in accord that bereavement leave non-availability should be considered the same as vacation non-availability and that the first work day preceding or following the employee's bereavement leave, as the case may be, should be considered as the qualifying day for holiday purposes.
Q-5: Would an employee be entitled to bereavement leave in connection with the death of a half-brother or half-sister, step-brother or stepsister, stepparents or stepchildren?

A-5: Yes as to half-brother or half-sister, no as to stepbrother or stepsister, stepparents or stepchildren. However, the rule is applicable to a family relationship covered by the rule through the legal adoption process.
ARTICLE VIII - ENTRY RATES

Section 1 - Service First 12-Months

Except as otherwise provided in this Article VIII, employees entering service on and after the effective date of this Article shall be paid as follows for all service performed within the first twelve (12) calendar months of service:

(a) For the first twelve (12) calendar months of employment, new employees shall be paid 90% of the applicable rates of pay (including COLA) for the class and craft in which service is rendered. However, an employee promoted to a higher class shall not be paid at a rate of pay lower than the rate he would have been paid had he remained in the lower class.

(b) When an employee has completed a total of twelve (12) calendar months of employment in any maintenance of way position (or combination thereof) the provisions of sub-paragraph (a) above will no longer be applicable. Employees who have had a maintenance of way employment relationship with the carrier and are rehired in a maintenance of way position will be paid at the full applicable rate after completion of a total of twelve (12) calendar months combined employment.

(c) Any calendar month in which an employee does not render compensated service due to voluntary absence, suspension, or dismissal shall not count toward completion of the twelve (12) month period.

(d) The reduced rates provided by this Article are applicable to trackmen; extra gangmen; sectionmen; all laborers, gardeners, farmers and helpers; firemen; upgraded mechanics; flagmen, gatemen and watchmen; and roadway equipment and machine operators who have not established seniority as such.

Section 2 - Preservation of Lower Rates

Agreements which provide for training or entry rates that are lower than those provided for in Section 1 are preserved. However, if such agreements provide for payment at a lower rate for less than the first twelve (12) calendar months of actual service, Section 1 of this Article will be applicable during any portion of that period in which such lower rate is not applicable.

This Article shall become effective 15 days after the date of this Agreement except on such carriers as may elect to preserve existing rules or practices and so notify the authorized employee representative on or before such effective date.
Addendum No. 16

SUPPLEMENTAL AGREEMENT

OCTOBER 30, 1978

ARTICLE V - JURY DUTY

Article V-A - Jury Duty of the Agreement of February 10, 1971, is amended to read as follows:

When a regularly assigned employee is summoned for jury duty and is required to lose time from his assignment as a result thereof, he shall be paid for actual time lost with a maximum of a basic day's pay at the straight time rate of his position for each day lost less the amount allowed him for jury service for each such day, excepting allowances paid by the court for meals, lodging or transportation, subject to the following qualifications and limitations:

(1) An employee must furnish the carrier with a statement from the court of jury allowances paid and the days on which jury duty was performed.

(2) The number of days for which jury duty pay shall be paid is limited to a maximum of 60 days in any calendar year.

(3) No jury duty pay will be allowed for any day as to which the employee is entitled to vacation or holiday pay.

(4) When an employee is excused from railroad service account of jury duty the carrier shall have the option of determining whether or not the employee's regular position shall be blanked, notwithstanding the provisions of any other rules.

(5) Except as provided in paragraph (6), an employee will not be required to work on his assignment on days on which jury duty:

(a) ends within four hours of the start of his assignment; or

(b) is scheduled to begin during the hours of his assignment or within four hours of the beginning or ending of his assignment.

(6) On any day that an employee is released from jury duty and four or more hours of his work assignment remain, he will immediately inform his supervisor and report for work if advised to do so.

This Article shall become effective fifteen (15) days after the date of this Agreement.

Dear Sir:

During our conference of May 20, 1980, we again discussed the operation and rate of pay for operators of the Jackson Tie Remover-Inserters, Models 125 and 925.

It was agreed operators of such machines would be paid the Machine Operator Rate, effective July 1, 1980. Such machines will work primarily with Section forces and the machines will be advertised; however, on dates or periods of time during which the machine is not operated the operator will be required to perform trackman work but his compensation will continue at the Machine Operator Rate.

It was also agreed that Carrier would have the right to change headquarters of such machines on a 30-day minimum basis and the assigned operator would have the option of remaining with the machine, when its headquarters is changed, or he could relinquish the position, in which case, the position would be readvertised.

Yours very truly,

Dear Sir:

This letter of understanding will confirm our conference of December 12, 1980, concerning changing of headquarter points of section or track gangs:

It was agreed to include the following in our schedule agreement as Rule 3-8, effective January 1, 1981.

3.8 Should the Carrier change the headquarters of a section or track gang, the employees assigned to such gang will have the privilege of exercising seniority in accordance with provisions of this rule.

It was also understood that a section or track gang headquarters changed within a terminal is not subject to the provisions of Rule 3-8.

If such understanding is correct, please so indicate on copy of this letter and return to me for our file, so we may effectuate such provision.

Dear Sir:

This will acknowledge Mr. Hawkes’ letter of May 15, 1981, concerning the use of KCS welding forces on the L&A Railroad.

In connection with conference held on this subject, the Carrier is agreeable to the use of KCS welding forces to perform welding on the L&A Railroad when required. It was understood there would be no changes in the present assignments of our KCS forces.

It was also agreed seniority rosters covering "KCS Gas and Electric Field Welding Force" and "KCS Frog Shop Foreman, Welders, Helpers and Laborers" would be combined into one roster and would become a KCS-L&A System Roster, effective January 1, 1982.

If you concur with the above understanding, please sign and return one copy to my office.

MEMORANDUM OF AGREEMENT

Between

THE KANSAS CITY SOUTHERN RAILWAY COMPANY
LOUISIANA & ARKANSAS RAILWAY COMPANY

And

BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYEES

It is agreed that a leave of absence will, upon written request, be granted to an employee promoted or transferring from the Maintenance of Way Craft to another Craft.

It is understood that such leave of absence will be granted for 90 days or for the period required for the employee to complete any necessary probationary training in the Craft to which promoted or transferred and the establishment of a seniority date in that Craft, whichever is longer.

Employees who accept positions in other Crafts pursuant to this Agreement on or after the effective date of this Agreement will retain and accumulate seniority provided they maintain membership in the Maintenance of Way Organization.

In the event any such employee fails to maintain membership as outlined hereinabove, the General Chairman shall notify the employee involved and Vice President-Personnel of that fact, in writing, and if within thirty (30) days from the date of such written notification the employee has not attained membership, that employee's seniority under the Maintenance of Way Agreement will be terminated.

At the expiration of the 90 days, or upon completion of any probationary training period and the establishment of seniority date in the Craft to which promoted or transferred, whichever is longer, seniority in the employee's original Craft will be forfeited.

If such employee elects to return to their old Craft during such leave of absence period, or fails to satisfactorily complete the probationary training period, said employee shall relinquish all seniority established by reason of the transfer or promotion and will be governed by the following:

(a) They will return to their former position if in existence and it is not occupied by a senior employee who has exercised seniority rights thereon.
(b) If the former position is not in existence or is occupied by a senior employee who has exercised seniority rights thereon, they may exercise their seniority rights over any junior employee at their seniority point if asserted within three (3) days after returning.

Employees displaced in connection therewith will exercise their seniority in the same manner.

This understanding applies only to employees transferring from the Maintenance of Way Craft and does not alter or change Agreement Rules 5 and 6.

This Agreement will become effective October 1, 1981 and will remain in effect subject to the provisions of the Railway Labor Act.

Signed at Kansas City, Missouri, this 1st day of October, 1981.
